

“

VAV WEAR brand following its 20 Years of Textile Production and Military clothing experience has been founded with the aim to utilize this experience with Domestic and Foreign markets and rank in the market by making its mark with its quality for Customer Groups preferring Outdoor and tactical clothing.

It is our fundamental aim to make a world of difference for all components used with our products. This distinction embodies in the final product with quality, top level raw materials, current technologic innovations, R&D studies, design works and by finalizing the product by starting from products thread, from its fabric to paint series, from design to sewing in all phases.

VAV WEAR team recognizes one thing very well, we should produce quality, divergent and product we can put our weight behind.

This way thinking inspired us to develop some goals,

OUR GOALS;

- Seek for best every day,***
- Attaining sympathy and satisfaction of our customers,***
- To be recognized and rank in top in World Wide in its area of concern.***

Yes,

We believe

Because

#We're ambitious

”

A man with a beard and short brown hair is wearing a green tactical jacket over a black button-down shirt and tan cargo pants. He is holding a hatchet in his left hand. The background is a blurred outdoor setting with trees and a small fire in the lower left corner. Five callout boxes with white lines pointing to specific features on the jacket are present: 'Water Repellent Outer Fabric' points to the upper left chest area; 'Hidden Hood' points to the collar area; 'Handy Shoulder Pocket on Sleeve' points to a pocket on the right sleeve; 'Waterproof Zippers' points to a zipper on the lower left chest; and 'Double Slider Open Comfortable Front Pockets' points to a pocket on the right thigh.
